

# FUELBUDDY DOORSTEP FUEL DELIVERY

**FUELBUDDY**

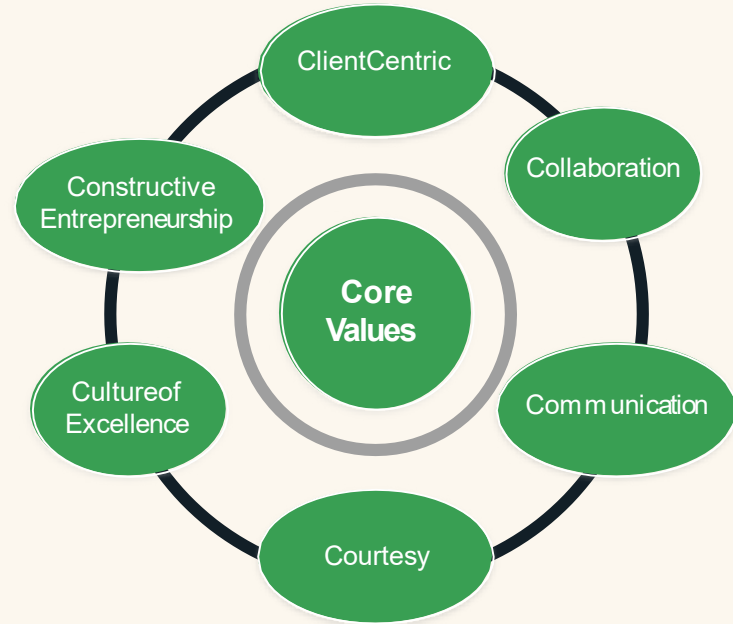

## OUR PHILOSOPHY

Drive the franchise Business of growth where our partners co-exist and co-prosper

## VISSION & MISSION

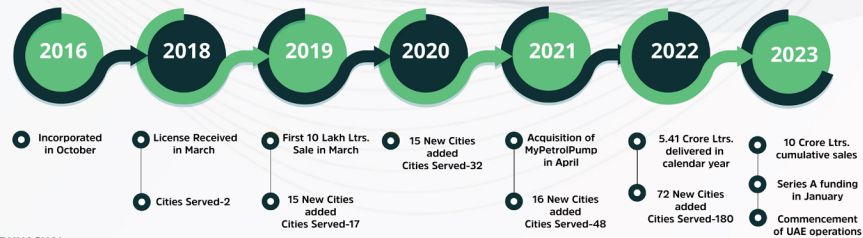

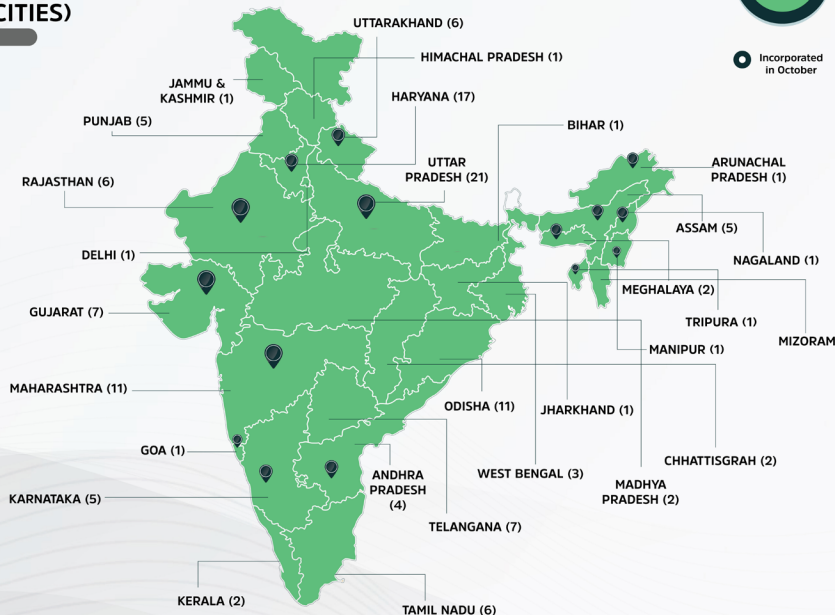

FuelBuddy was founded with a transformative idea, to provide honest and transparent service in the fuel delivery industry with a focus on adding value to our customers

## OUR VALUES

Our core values ensure that all our employees, partners & associates are working towards the same goals on being the best in Industry

## FRANCHISEE (30+ CITIES)

## GOING GLOBAL

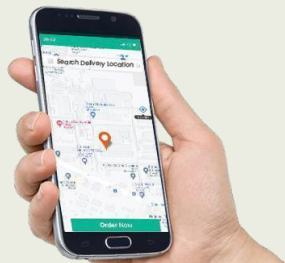

MOZAMBIQUE

UAE

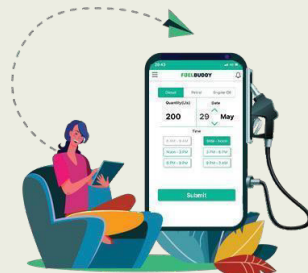

## How It Works

We have a simple **3 step** process  
Order in under 60 seconds

**When & Where**  
Tell us your time and place.

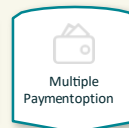

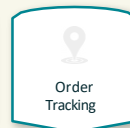

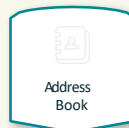

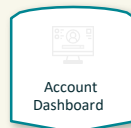

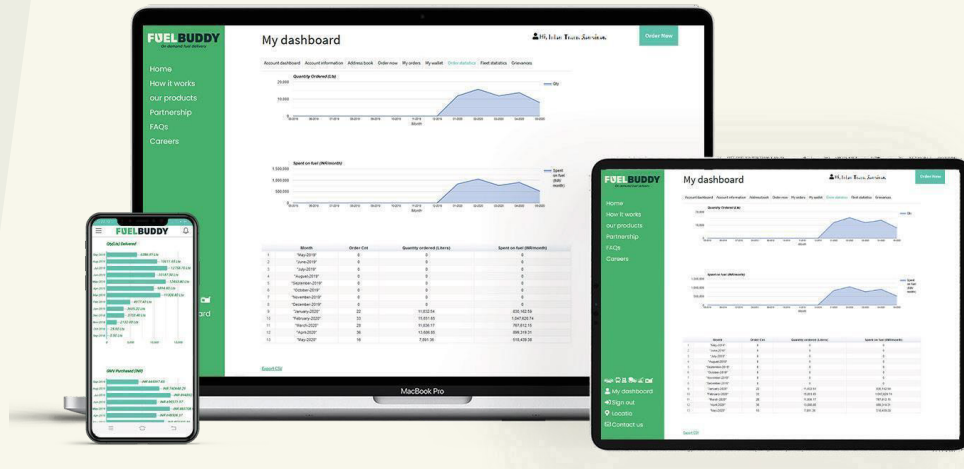

**Place Order**  
Add quantity required and confirm your order

**Get Refuelled**  
Wait for us to arrive and get refueled.

## Customer Dashboard

Our customers can Monitor their fuel consumptions, Analyse fuel usage, Generate reports for audit & budgeting purposes, and a whole lot of other features to Avoid manual reconciliation and accounting, at no cost!!

### Organizing the unorganized fragmented fuel market.

Fuel delivery sector is highly unorganized and fragmented with illegal practices which we help solve with our 5-Axis Approach

Entity's 5 axis approach gives 100% solution to the industry problem

Cashless Transaction

Convenience

Safety & Environment

Quality & Quantity
